We know that work schedules will not allow all of you to attend our son's memorial service, but we want to invite you. We will be honored to have any of you attend the service on Tuesday. Dear Pastor Nichols,

*It was such a joy to be at Regency this last November. The music and preaching were very refreshing. I also appreciated very much the time I was able to spend with you one on one. We have been in Phoenix now for just a little more than 3 weeks, and God has blessed tremendously. We have had 53 people saved thus far through door to door soul winning, and 4 people saved through our 2 nursing home ministries. We have had services every Sunday morning, Sunday night, and Wednesday night since we arrived. Yesterday, we had 22 in attendance in our Sunday morning service and 11 in our Sunday evening service. Thank you so much for your prayers and godly counsel. Regency has been such a blessing to me since I first came at the age of 17. Thank you for your faithfulness and steadfast position. I hope to see you again soon.*
