Biblical Proof Of A Pretribulation Rapture

Biblical Proof of a Pretribulation Rapture

jesus-is-savior.com

I believe this

I believe in a pretrib

Amen! Maybe you could share this with your new friends before they miss the rapture.

I don't have new friends

No tricks no living

Who are those people preaching in your 40 day meeting?

I am a man of need

I told them what to preach

I told them do not preach on controversial things preach straight from the bible

I saw on you tube that Anderson made a video about Joshua Rhoades because he would not let a preacher that Anderson knows in his church

2 Corinthians 11:8 (KJV) I robbed other churches, taking wages of them, to do you service.

May be this verse is applied to me

In that same video Anderson talked about his 40 day meeting in Guyana and he never mentioned you

Ok

Sometimes when get caught up in the game you have to rool the dice till the game is over

He is taking credit for your hard work over the years

I realized that

I glad to come back with you

But if it's not possible I will do something else after my revival

May be I will just be by myself

Well I just thought you should know how those men are taking credit

My bible tells me to live peaceable with all men

Thanks

The churches that recommend him to me
Pull out
People are jealousy of the work I am doing here in Guyana
Bro. Ram, are you using them instead of them using you?

May be they are using me
I am a dumb jackass
I should have listen to you when you told me to cool down
And think
Now I am reaping
The consiquences

Either way be careful because they are not of God if they believe a post trib rapture

Ok

You should think beyond your 40 day revival because it will be over soon and then what will you do?

✘ I am going to separate from those guys
If anderson died now all his ministry and followers will be over
If it were me I would separate immediately

I will hurt my People here

✘ Cause they prepared to commit to see the 40 nights revival accomplish
But after its over I am going to separate from them and close down the website
Also my website I made while will you will be closed down soon
Cause we do not have cash in our American account

Your people need guidance and they would respect you greatly if you told them that these men do not believe the same doctrine you believe, they would then want you to separate them from those men.

Ok

I will have to stop the revival
Because of the cost to have it
And that will shattered it for next year
Let me do this transition smoothly
After the revival
Pray for me
That all goes well

Anderson is having a meeting in Trinidad and wanted Bro. Pramand to host it, but bro. Pramand told him No, he said he would not be a part of his meeting

Ok

Ok

I didn't know about that

I did called up pramnan and recommendations him cause as he was recommended to me by the Jack Hyles Preacher here in Guyana

Those men are using you to build their reputations.

Who is the Jack Hyles preacher in Guyana?

Now jack hyles preacher boy pull out

Zakir

From foundation Baptist Church

In Guyana

Bro. Ram why are you using these men in your meeting if you don't believe their false doctrine?

I have no other choice

Remember the Devils believe and tremble!

Why don't you have another choice

As they only preach what I told them

Cause of the expense

Of the revival

We have good men of God that was going to preach in your meeting and the Lord would have supplied the needs just like last year

And no one want to come since we have the situations of us

They would have come but they did not want to associate with them men

My prayers is this thing will change next year

You should never let money control you or your ministry, the apostles turned the world upside down and they did not have money

My faith gotten weak

The devil offered Jesus everything but He refused, he was filled with the Spirit!

So true

Sometimes we get prideful and that pride will destroy us, the will of God is for us to humble ourselves under the mighty hand of God and He will exhalt us in do time.

That is so true

I was at the brim to success

And I became prideful
